Answer

(a) to (c): There are over 40 skill development schemes implemented by more than 18 Central Government Ministries/Departments across various sectors, which have the mandate to promote skilling of youth throughout the country, including Saansad Adarsh Grams. The Gram Panchayats (GPs) identified under Saansad Adarsh Gram Yojana (SAGY) prepare Village Development Plans (VDP) which contain prioritised time-bound activities for holistic development through convergence of various Central and State Government schemes. The schemes implemented for skill development and employment generation vary from state to state. The Central Government schemes which are suggested to be used by the identified GPs for Skill development and Employment generation are at Annexure-I. As per the guidelines of SAGY, the post-project assessment of performance and outcomes of all identified Gram Panchayats under Phase-I would be undertaken by the competent independent agency.
